

---

## HOW TO PROPERLY REPAIR A BALL MARK

---

1. Insert repair tool just outside the back of the ball mark as pictured above.
2. Pull the turf towards the center of the hole (right picture). Repeat this same motion on all sides of the hole.
3. Gently tap the replaced area with your putter. This action stretches undamaged turf over the ball mark providing instant recovery.

---

## PACE OF PLAY

---

- Groups are expected to play in **4 hours and 15 minutes** for 18 holes and/or keep up with the group ahead of them
- Groups that fall behind are expected to regain their position
- The course marshal is on hand to provide constructive feedback to assist players in keeping pace and adhering to course protocol
